

## Electronic Bill Application (E-Bill)

Dear Customer,

Boaz Gas Board is now offering the option to receive your monthly billing statement electronically through email (E-Bill). Boaz Gas Board offers this free, innovative service to make paying your bill even easier.

Enroll in e-billing and we will email your monthly billing statement. You will no longer receive a paper billing statement, but the electronic billing statement will look the same.

E-billing offers some advantages over paper billing statements. There is less paper for you to keep up with and e-billing eliminates misplaced billing statements. With e-billing, you can view your billing statement when you're away from home, which is convenient for members who travel often.

If you wish to enroll in e-billing, please fill out the information below and return to the Boaz Gas Board Office.

Sincerely,

Boaz Gas Board
