

The Gas Board of the City of Boaz  
138 North Main Street, Boaz, AL 35957  
(256) 593-6764

### Service Contract

I, the Applicant, hereby request to be supplied with gas by the undersigned Board for the purposes shown hereon and none other. I agree to pay for the service at the regular schedule rates published and applicable from time to time by the Board or fixed according to law, and to comply with the rules and regulations of the Board prescribed by the Board or by law.

I further agree that (1) the Board shall retain title to all meters and other property furnished by it. (2) that I shall be responsible for the safekeeping of all property of the Board on the premises herein mentioned, and (3) that I shall guarantee free right of ingress and egress by the Board's employees to meters, regulators, and other property of the Board located on said premises, and (4) I will keep in repairs all appliances and piping on said premises (other than meters and regulators maintained by the Board), first notifying the Board prior to having repairs made, and will report immediately to the Board any leaks discovered and (5) that the Board shall not be liable for damages because of interruption of the supply of gas or by reason of fires, accidents, or any other cause due or alleged to the installation of the service or the escape or accumulation of gas, and I will agree to indemnify the Board against liability, loss or damage by reason thereof, and I further agree to notify the Board one week prior to vacating said premises or discontinuance of service, for any reason, and (6) For the customer who will use natural gas for the purposes other than primary heat such as gas fire logs or backup heat, or installs only a natural gas water heater; the service line fee is \$300.00. It is understood that the above fees apply to service installation for services under 300 feet. A charge of \$1.00 per foot will be charged for services over 300 feet. That the Board shall not refund any payments made by the applicant or property owner for the service pipe from property line to meter, unless covered by separate agreement, and (7) I will abide by the codes as promulgated by the Board and all city ordinances and all laws which now exist or hereafter adopted. This contract is not intended to conflict with any existing promulgation of the Board or any law or ordinance. (8) That the Board shall have the right to discontinue services without further notice in case of applicants failure to comply with this agreement or any part thereof. The parties further agree that should collection efforts become necessary, that the customer agrees to the responsible for all costs of collection to include but not limited to a 15% attorney fee and court cost.
